THE MOST COMPLETE ONE-DAY ENDOVASCULAR CONFERENCE

PACIFIC NORTHWEST ENDOVASCULAR

C O N F E R E N C E

FRIDAY, MAY 22, 2020

HYATT REGENCY SEATTLE • SEATTLE, WA

Over the last decade, the Pacific Northwest Endovascular Conference (PNEC) has set the bar for quality endovascular education and training in the region. With its interactive learning format, world-class faculty, focused breakout sessions and opportunities for physicians-in-training, PNEC has emerged as a regional powerhouse with national recognition.

SCIENTIFIC PROGRAM HIGHLIGHTS

AORTIC – MODERN MANAGEMENT

- Branch Graft Aortic Reconstruction
- EVAR, FEVAR
- Proximal Seal Length

LOWER EXTREMITY/CLI

- Drug-Coated Balloons
- Next Generation Stents

VENOUS

- Abdominal-Pelvic Venous Disease
- Complex Iliocaval Recanalization
- Complex IVC Filter Retrieval
- Nutcracker Syndrome
- Perforator Interruption
- Superficial Venous Disease
- Venous Stent Trials

ENDOVASCULAR ESSENTIALS

- The Business of Vascular Surgery: Practices and Procedure Pearls
- Case-Based Presentations
- Technique Take-Aways: How I Do It

SIMULATION SUMMIT FOR VASCULAR TRAINEES

- Thursday, May 21, 2020
- Tuition and Travel Reimbursement

BREAKOUT SESSIONS

- Limb Preservation and Wound Care
- Updates on Vascular Surgery for Allied Health Professionals

QUESTIONS? Toll-free: 888.334.7495 Phone: 305.279.2263 questions@CCMCME.com

ACCREDITATION INFORMATION

LEARNING OBJECTIVES

Upon completion of this activity, the learner should be able to:

1. Identify appropriate treatment methods for complex aortic pathology
2. Recognize the limitations and benefits of fenestrated endografting
3. Determine whether endovascular procedures are a durable solution for the lower extremity
4. Analyze strategies to treat patients with Critical Limb Ischemia (CLI)
5. Assess different stent treatment strategies for lower extremity pathology
6. Describe the role of ECMO in treating pulmonary embolism
7. Identify anticoagulation strategies after interventions for May Thurner
8. Analyze the cost implications of treating PAD
9. Describe open and endovascular treatment strategies for juxtarenal aneurysms

TARGET AUDIENCE

PNEC will be of value to vascular surgeons, interventional radiologists, interventional cardiologists, nurses and other physicians and healthcare providers involved in endovascular procedures.

CME ACCREDITATION STATEMENT

Complete Conference Management is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME CREDIT DESIGNATION STATEMENT

Complete Conference Management designates this live activity for a maximum of 8.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OTHER CREDITS

For the purpose of recertification, American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by the ACCME. Physician

assistants may receive a maximum of 8.5 hours of Category 1 credit for completing this program.

UEMS/EACCME CME CREDIT RECOGNITION

The American Medical Association (AMA) has an agreement of mutual recognition of CME credit with the UEMS. Under the terms of this agreement the European Accreditation Council for Continuing Medical Education (EACCME), the accrediting arm of the UEMS, will convert CME credit for live activities certified by the AMA.

DISCLAIMER

Complete Conference Management makes every effort to develop CME activities that are scientifically based. This activity is designed for educational purposes. Participants have a responsibility to utilize this information to enhance their professional development in an effort to improve patient outcomes. Conclusions drawn by the participants should be derived from careful consideration of all available scientific information. The participant should use his/her clinical judgment, knowledge, experience, and diagnostic decision-making before applying any information, whether provided here or by others, for any professional use.

DISCLOSURE POLICY STATEMENT

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs provided by Complete Conference Management must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in a CCM-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

DISCLOSURE OF UNLABELED USE

Complete Conference Management requires faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device not yet approved for use in the United States.

This educational activity provides training necessary for licensed attendees to maintain state licensing requirements. The tuition for this educational activity is subsidized in part by unrestricted educational grants, including for those attendees who have successfully completed the state licensing requirements for their respective fields.

PROGRAM COMMITTEE

**NITEN SINGH, MD**

Program Chair
Professor of Surgery
Program Director, Vascular Surgery
Residency and Fellowship
Director of Limb Preservation Services
University of Washington
Seattle, WA

**ELINA QUIROGA, MD**

Assistant Professor of Surgery
University of Washington
Seattle, WA

**BENJAMIN W. STARNES, MD**

Program Chair
Professor and Chief, Division of
Vascular Surgery
University of Washington
Seattle, WA

**ANDRES SCHANZER, MD**

Professor and Chief
Division of Vascular Surgery
University of Massachusetts
Medical School
Worcester, MA

**ZACHARY ARTHURS, MD**

Chief, Vascular Surgery
San Antonio Military Medical Center
San Antonio, TX

**CYNTHIA K. SHORTELL, MD**

Professor of Surgery
Chief, Division of Vascular Surgery
Duke University Medical Center
Durham, NC

**BRIAN MATTESON, MD**

Vascular Surgeon
Cardiac and Vascular Services
St. Luke's Cardiothoracic and
Vascular Associates
Boise, ID

**NAM T. TRAN, MD**

Associate Professor of Surgery
Division of Vascular Surgery
University of Washington
Seattle, WA

PNEC SCIENTIFIC PROGRAM

FRIDAY, MAY 22, 2020

PNEC

7:00 a.m. Continental Breakfast With the Exhibitors and Industry Session

7:55 a.m. Welcoming Remarks Niten Singh, MD

Session I: Aortic – Modern Management

Moderators: Andres Schanzer, MD and Benjamin Starnes, MD

8:00 a.m. Appropriateness in Aneurysm Surgery: How Not To Do It! Thomas Forbes, MD

8:10 a.m. Complex EVAR and Advanced Imaging Guidance Now and in the Future Marc Schermerhorn, MD

8:20 a.m. FEVAR for Failed EVAR: Findings from the IDE Consortium Andres Schanzer, MD

8:30 a.m. Type II Endoleaks After EVAR: Embolization, Sac Injection vs. Revision Mark Conrad, MD

8:40 a.m. Chronic Type B Dissections: Should We Be Performing TEVAR Routinely and What Are the Specific Causes of Mortality in These Patients? Sherene Shalhub, MD

8:50 a.m. Open vs. Endovascular Procedures in Patients With Connective Tissue Disorders: How I Do It? Peter Rossi, MD

9:00 a.m. Open TAAA Repair: Is it an Operation of the Past and How Do We Train the Next Generation to Do This? Kelli Brown, MD

9:10 a.m. Innovation and a Glimpse at the Future of Aortic Interventions Benjamin Starnes, MD

9:20 a.m. Management of Visceral Artery Aneurysms: What Do the Guidelines State Dawn Coleman, MD

9:30 a.m. Impact of Medical Management on Inhibition of Growth of Small AAA's: Is There Evidence That It Works? Anders Wanhainen, MD

9:40 a.m. Panel Discussion and Audience Questions

10:00 a.m. Refreshment Break and Visit With the Exhibitors

Session II: Lower Extremity

Moderators: Chris Abularrage, MD and Niten Singh, MD

10:30 a.m. Amputation Trends in CLTI: Are We Making Progress? Misty Dawn Humphries, MD

10:40 a.m. Future of DCB and DES and What is the Status a Year Later? Peter Schneider, MD

10:50 a.m. The Future of Tibial Interventions: What Works, What Does Not and What Does the Future Hold? John Laird, MD

11:00 a.m. Socioeconomic Factors Affecting Outcomes in PAD Ravi Rajani, MD

11:10 a.m. Multidisciplinary Approach to Limb Salvage: It Works and How to Embrace It and Not Fight It Vincent Rowe, MD

11:20 a.m. Results of Utilizing Coronary Drug-Eluting Stents in LE Occlusive Disease and Failing Bypasses: Do They Work? Chris Abularrage, MD

11:30 a.m. Navigating the Options Available for Femoropopliteal Occlusive Disease: How to Optimize Therapy in a Cost-Conscious Environment Don Jacobs, MD

11:40 a.m. Pedal Acceleration TIME (PAT): It Can Change Your Approach to Limb Salvage Jill Sommerset, RVT

11:50 a.m. Trials and Tribulations of Managing a Large Multicenter CLI Trial: Lessons Learned Matt Menard, MD

12:00 p.m. Panel Discussion and Audience Questions

12:15 p.m. Lunch Break, Visit Exhibits and Industry Session

12:15 p.m. Resident Competition – EVAR Planning
– 1:00 p.m.

1:00 p.m. - 2:30 p.m. **Concurrent Focus Session: Updates on Vascular Surgery for Allied Health Professionals** *(See Page 8 for detailed program)*

Moderators: Elina Quiroga, MD and Brenda Kline, ARNP

SCIENTIFIC PROGRAM, CONTINUED

Session III: Venous

Moderators: Mark Meissner, MD and Cynthia Shortell, MD

1:00 p.m.	New Developments in the Treatment of Major Venolymphatic Malformations	Cynthia Shortell, MD
1:10 p.m.	Pelvic Venous Disorders: How to Understand and Treat Them	Mark Meissner, MD
1:20 p.m.	Four Reasons Why You Should Care About Phlebolympheidema	Steven Dean, MD
1:30 p.m.	Venous Aneurysm: When to Operate, When to Watch and the Role of Anticoagulation	Bill Marston, MD
1:45 p.m.	One Treatment Per Leg Per Life: How to Optimize Treatment in the Current Payor Environment?	John Kaufman, MD
1:55 p.m.	To Accredite or Not Accredite: Benefits of and Strategies of Certification	David Dawson, MD
2:05 p.m.	Perforators: Where is the Intersection of Guidelines, Real Life and Technology	David Rigberg, MD
2:15 p.m.	Panel Discussion and Audience Questions	

2:45 p.m. – 4:05 p.m. **Concurrent Focus Session: Limb Preservation and Wound Care**
(See Page 8 for detailed program)
Moderator: Joseph Fiorito, DPM

Session IV: Physician Practice

Moderators: David Deaton, MD and Sean Roddy, MD

2:30 p.m.	Demographic Trends in Vascular Disease and How It Will Affect Future Practice	Marc Bonaca, MD
2:40 p.m.	Surgeon Volume vs. Experience in AAA: Which One Matters More?	David Stone, MD
2:50 p.m.	Financial and Quality (PSI-Patient Safety Indicators) Impact on Vascular Surgery Documentation	Francesco Aiello, MD
3:00 p.m.	Identifying the High Risk Asymptomatic Carotid Patient: What Should We Look For?	Wei Zhou, MD
3:10 p.m.	Implications of Diabetes in the Future of Vascular Disease	Philip Goodney, MD
3:20 p.m.	Effectiveness of Repeated Interventions on HD Access	Benjamin Brooke, MD
3:30 p.m.	Office Based Lab: Are These Facilities More Efficient to Treat Patients?	Zak Arthurs, MD
3:40 p.m.	Update on Coding and Reimbursement	Sean Roddy, MD
3:50 p.m.	Panel Discussion and Audience Questions	
4:05 p.m.	Refreshment Break and Visit Exhibits	

Session V: Technical Pearls and Debate

Moderators: Zak Arthurs, MD and Matt Sweet, MD

4:35 p.m.	Treatment of Renal and Splanchnic Aneurysms: How I Do It	Robyn Macsata, MD
4:45 p.m.	Complex IVC Filter Removal: Tips and Tricks	John Kaufman, MD
4:55 p.m.	Clot Extraction for DVT Instead of Dissolution: How I Do It	Matthew Recht, MD
5:05 p.m.	Pediatric Vascular Procedures: When Do We Get Involved and Technical Considerations?	Mal Sheahan, MD
5:15 p.m.	More on Pediatrics! Pediatric Dialysis Procedures	Vincent Rowe, MD
5:25 p.m.	Debate: Transfemoral Carotid Stenting is Still Relevant and This is Why!	Chris Metzger, MD
5:35 p.m.	Debate: Not So Fast! TCAR Has Made Transfemoral Carotid Stenting Obsolete	Brian DeRubertis, MD
5:45 p.m.	Brachial and Radial Access for Treatment of PAD: Benefits and Challenges	Matthew Mell, MD
5:55 p.m.	Resident Competition: "The \$10,000 Pyramid"	
6:35 p.m.	Closing Talk:	Peter Schneider, MD
6:50 p.m.	Adjourn	
7:00 p.m.	Closing Dinner	

CONCURRENT FOCUS SESSIONS

FRIDAY, MAY 22, 2020

Concurrent Focus Session: Updates on Vascular Surgery for Allied Health Professionals

Moderators: Elina Quiroga, MD and Brenda Kline, ARNP

1:00 p.m.	How to Medically Treat Peripheral Vascular Disease	Marc Bonaca, MD
1:10 p.m.	Perioperative Management of Patients With Vascular Disease	Edie Shen, MD
1:20 p.m.	What Do You Need to Know About Post Amputee Care?	Mark Goetcheus, RN, CWCN
1:30 p.m.	Opioid Management and Other Options for Pain Control in Vascular Patients	Rebecca Ur, MD
1:40 p.m.	The Importance of Goals of Care Discussions With Your Patients	Kathleen O'Connell
1:50 p.m.	Challenges in the Management of Patients With Aortic Dissections	Sherene Shalhub, MD
2:00 p.m.	Burnout Not Only Affects Surgeons: APP Wellbeing and Resilience	Dawn Coleman, MD
2:15 p.m.	Panel Discussion	
2:30 p.m.	Adjourn	

FRIDAY, MAY 22, 2020

Concurrent Focus Session: Limb Preservation and Wound Care

Moderator: Joseph Fiorito, DPM

2:45 p.m.	Metrics for Success and the Advocating for Advanced Wound Care Products for Treating Diabetic Foot Ulcers	Nilufer Norsworthy, MD
2:55 p.m.	Gastrocnemius and Tendo Achilles Equinus and Their Role in Causing Foot Ulcers	Dekker McKeever, DPM
3:05 p.m.	Role of a Wound Center in Treating Patients With CLI	Robert McLafferty, MD
3:15 p.m.	Bio-mechanic Benefits of Length Preservation When Considering Minor Foot Amputations	Joseph Fiorito, DPM
3:25 p.m.	Revascularization for Leg Ulcer Patients With PAD: Which Patients Really Need It and What is the Best Way To Do It?	Bill Marston, MD
3:35 p.m.	Transdermal Oxygen Therapy for the Treatment of Lower Extremity Wounds	Charles Andersen, MD
3:45 p.m.	The Benefits of Early Consultation With Rehabilitation Medicine in Determining a Successful Amputation Outcome	Julie Hodapp Macaulay, MD
3:55 p.m.	Panel Discussion	
4:05 p.m.	Adjourn	

SIMULATION SUMMIT FOR VASCULAR TRAINEES

THURSDAY, MAY 21, 2020

Simulation Summit For Vascular Trainees

7:35 a.m. Introduction and Overview Drs. Singh and Tran

PAD and CLI-Case Review

Moderators: Venita Chandra, MD and Kim Malka, MD

7:40 a.m. Case #1: Venita Chandra, MD

7:50 a.m. Case #2: Peter Rossi, MD

8:00 a.m. Case #3: John Rollo, MD

8:10 a.m. Case #4: Max Wohlauser, MD

8:20 a.m. Case #5: Caitlin Hicks, MD

8:30 a.m. Case #6: Robyn Macsata, MD

8:40 a.m. Case #7: Matt Recht, MD

8:50 a.m. Panel Discussion

Venous and Wounds Case Review

Moderators: Zak Arthurs, MD and Bill Marston, MD

9:00 a.m. Case #1: Bill Marston, MD

9:10 a.m. Case #2: Robert McLafferty, MD

9:20 a.m. Case #3: John Rollo, MD

9:30 a.m. Case #4: Misty Dawn Humphries, MD

9:40 a.m. Case #5: Venita Chandra, MD

9:50 a.m. Case #6: Robert McLafferty, MD

10:00 a.m. Panel Discussion

10:05 a.m. Refreshment Break

10:15 a.m. Hands-On Rotation: Endovascular Simulation All Faculty

12:00 p.m. Lunch Break and Practice Management Session
Moderators: Dawn Coleman, MD and Mal Sheahan, MD

12:15 p.m. Understanding Coding Issues as You Start to Practice Sean Roddy, MD

12:30 p.m. What I Wish I Knew in My First Year of Practice Kim Malka, MD

12:40 p.m. Strategic Outreach and Growth in Your Practice Ty Garland, MD

12:50 p.m. Maintenance of Yourself in Practice Dawn Coleman, MD

1:00 p.m. Panel Discussion

1:00 - International Oral Abstract Session

3:00 p.m. *Moderator: Drs. Elina Quiroga, Anders Wanhainen and Wayne Zhang*

Aortic Case Review

Moderators: Jeff Jim, MD and Sherene Shalhub, MD

1:10 p.m. Case #1: Sherene Shalhub, MD

1:20 p.m. Case #2: Jeff Jim, MD

1:30 p.m. Case #3: Nikhil Kansal, MD

1:40 p.m. Case #4: Ty Garland, MD

1:50 p.m. Case #5: Robyn Macsata, MD

SIMULATION SUMMIT, CONTINUED

2:00 p.m.	Case #6:	Venita Chandra, MD
2:10 p.m.	Case #7:	Gale Tang, MD
2:20 p.m.	Case #8:	Caitlin Hicks, MD
2:30 p.m.	Panel Discussion	
2:45 p.m.	Refreshment Break	
3:00 p.m.	Hands-On Rotation Simulator	All Faculty
4:45 p.m.	Conclusion and Course Evaluation	Dr. Tran
5:00 p.m. – 6:30 p.m.	Welcome Reception With the Exhibitors	
5:30 p.m. – 6:30 p.m.	Resident Competition – Suturing	

CONFERENCE HOTEL & ACCOMMODATIONS

HYATT REGENCY SEATTLE HOTEL

808 Howell Street, Seattle, WA 98101

Phone Number: 206-973-1234

Room Rate: \$215 plus applicable taxes

Deadline: Tuesday, April 28, 2020 (Based on Availability)

REGISTRATION INFORMATION

REGISTRATION FEES	by February 28, 2020	Starting February 29, 2020
Physician	\$200	\$300
Allied Health Professional	\$175	\$225
Industry Professional/ Scientist/ Engineer	\$300	\$400
** Fellow/ Resident/ Medical Student	\$40	\$40
PNEC Dinner Ticket	\$50	\$50

Register Today at PNEC-SEATTLE.ORG

REGISTRATION FEE INCLUDES

- Admission to scientific sessions
- Course materials and access to presentations online
- Access to the Exhibit Hall
- Welcome Reception
- Continental breakfast, refreshment breaks and boxed lunch in the Exhibit Hall

THE PNEC DINNER

Join your colleagues at the PNEC Dinner on Friday, May 22, 2020. Make your dinner reservation by purchasing a ticket at the time of registration. Tickets are available for just \$50 per person. A limited number of tickets are also available for spouses.

REGISTRATION CONFIRMATION

Once your online registration is complete, you will receive an on-screen registration confirmation and an automated email confirmation. Please check your spam folder to ensure that your confirmation is received.

PAYING BY CHECK

PNEC's online registration system requires payment by credit card. If you prefer to pay with a check, please download and complete the PNEC Registration Form found at pnecc-seattle.org/registration and send it along with the check to the address listed on the form.

**FELLOWS, RESIDENTS AND MEDICAL STUDENTS

Fellows, residents and medical students are required to submit a letter from their program director, on institutional letterhead, that confirms their active fellowship or resident status. The letter should be submitted via email to mlescanofeher@CCMCME.com.

CANCELLATION POLICY

Cancellation requests received in writing on or before April 24, 2020, will be refunded, less a \$50 administrative fee. Cancellation requests received after April 24, 2020, will not be refunded.

QUESTIONS?

For additional registration information, please contact Complete Conference Management at 888-334-7495 or 305-279-2263, or email registration@CCMCME.com.
